

Professional Development Programme

Professional Development Programme can increase our skills as an employee, which can lead to new opportunities and career advancement. Professional development includes advancing skills, traits and competencies that contribute to our success in the workplace.

The institute organizes Professional Development Programme for non-teaching staff so that they can brush up their interpersonal skills, increase their working capability and gain more knowledge in their respective domain. Every year minimum two PDS are organized and the participation percentage varies from 55 to 65%. Below is the list of PDPs organized by the college-

- Torch.IO
- Digital Marketing
- Social Media Marketing
- Time and Energy Management
- Effective Communication Skills
- Learning Management System(LMS)
- Elementary Course on Tally
- Stress Management
- Outcome Based Education and Attainment
- Course on MS Office
